Dear Applicant:  
The Ohio Environmental Protection Agency has received your application for coverage under the above referenced general permit you submitted for:

Notice of Intent (NOI) submitted by: DOVETAIL ENERGY LLC  
Co-Permittee NOI submitted by: GE BAKER CONSTRUCTION INC  
Facility Name: DOVETAIL ENERGY  
Facility Street / Location: 1146 HERR RD COUNTY: Greene  
Ohio EPA Facility Permit Number: 1GC04576\*AG TOWNSHIP BATH

You are approved as a co-permittee for coverage under the above referenced Ohio EPA Construction general permit (CGP). Please use the Ohio EPA facility permit number above in all future correspondence. You are not required to terminate your co-permittee coverage. Only the initial NOI Applicant may terminate this Ohio EPA Facility Permit Number.

Please familiarize yourself with your general permit. The permit contains requirements and prohibitions with which you must comply. Coverage remains in effect until a renewal general permit is issued and Ohio EPA has contacted you in writing instructing you to request continuing permit coverage.

Co-Permittees are covered under the same facility permit number as the applicant that submitted the initial NOI. There is no fee associated with the Co-permittee NOI form. You may obtain current forms and instructions from our web site at: <http://www.epa.ohio.gov/dsw/storm/index.aspx>
